Meeting Minutes September 8, 2011 @ 6:00 PM

- I. Introductions
 - II. Update on New Dewatering Well
 - a. East pump on East LaPlatte is installed and up and working with just some minor things to be done for finishing touches.
 - b. Red lights on top of the dewatering wells have been installed. If the red light is going off there is a phone number on side of pump to call and report.
 - c. It was reported to us by the city today that all test wells are showing that water in our neighborhood is running anywhere from 8-9foot below top of the curb, which means it is sitting right below our basement floors, this will continue to be monitored to see if dewatering pumps take that down farther or if just sustains us.
 - III. Current Account Standings
 - a. Total balance in account is \$2327.66 (\$1077.99 dewatering, \$92.00 park fund, and \$1157.67 general fund)
 - IV. Current Officers
 1. Dayna Phillips, President
 2. Bruce Karnatz, Vice President
 3. Becky Pederson, Secretary
 4. Pat Trausch, Treasurer
 5. Gloria Travis, Member at large for West side
 6. Tony Davis, Member at large for East side
- Members and their contact information are also listed on our website at www.plazaneighborhood.org
- V. I have received a number of complaints regarding trash in the streets and dogs loose. Please for the best of our community keep your dogs on a leash, backyard, or inside. We also appreciate everyone picking up the trash that is on and around your property. I know we have a number of wind storms that knock over trash cans but please asap pick up your trash cans and trash. The more we all do to help the better our community will look.
 - VI. Open Discussion
 - a. Railroad street is now open
 - b. Next Meeting will be January 19, 2012 at 6PM at Quiznos
