

Plaza Neighborhood Meeting Minutes
January 19, 2012 @ 7:00 PM

- I. Introductions
 - a. List of neighbors was reviewed by all present and a few modifications noted. If you have a neighbor who has just moved in please let them know about our neighborhood association and offer to get them into contact with our neighborhood association. We can not pass on news without contact information. We will be solely relying on email to pass on information.
- II. Trash Collection containers
 - a. I have had a couple complaints regarding households not picking up their trash cans off the street on trash collection days are over. I shared that they would need to take their concerns to the city for resolution.
 - b. I have also had complaints of houses not picking up their trash off lawns after the winds have knocked over trash cans. Please have courtesy for your neighbors and pick up ASAP, we all understand that the wind has been causing challenges with our trash cans lately, but pick up asap. The complaints I have had regarding HUD homes trash I have directed to Kearney Housing.
- III. Non Operational Vehicles on the street
 - a. I have had complaints of vehicles on the streets that haven't moved for over 30 days at some residences. The city does have a rule regarding these vehicles, you are welcome to report to the city if you are having a problem.
- IV. Updates on dewatering wells
 - a. About a week ago the well on plaza had red flashing light going off and a home nearby was experiencing power outages at same time. NPPD discovered a problem with their power line both to the well and the separate line to the house. Both have been repaired and no further problems noted. A cover will be installed on the east well, as well as a red light on top this next week. At this same time emergency contact information stickers will be put on all wells so anyone can call when a problem is suspected or light is flashing.
- V. Park Improvements
 - a. Brent Anderson has taken the lead on talking with the city regarding park improvements to Lincoln Way Park. It was shared that ADA (American Disabilities Act) improvements will be done this year than other improvements will be discussed once all parks have had their ADA improvements done. Thank you Brett for keeping us up to date on this.
- VI. Upcoming Events, need committees, dates for the following events will be discussed at the next meeting.
 - a. Neighborhood Watch – forms will be emailed out with garage sale information
 - b. Garage Sales –need to set dates for. Information packets will be emailed out around late March. We will be providing this information by email again so

please be sure to forward us your neighbor or friend in the neighborhood email address so we can make sure everyone gets this information. If you have anything that you think should be done differently from last year let Dayna know ASAP.

- c. Trash Pickup – need to set a date.
- d. Dumpster Days – need a date set, the dumpster will be placed on gravel road just east of ESU
- e. Next Meeting will be March 8th @ 7PM, location still to be decided.
